

Natalie Lamb NT Dip CNM, mBANT, BA Hons, GAPS Technical Advisor

Natalie is a qualified Nutritional Therapist who studied a three year diploma in Nutritional Therapy at the College of Naturopathic Medicine (CNM) in London and is a member of The British Association of Nutritional Therapists (BANT). Natalie saw clients in a private clinic in London for 2 years before joining Probiotics International Ltd (Protexin), manufacturers of Bio-Kult and Lepicol ranges. Natalie is a fully qualified GAPS practitioner.

Natalie has a BA (Hons) in Business Studies and prior to working as a Nutritional Therapist she spent over 10 years working in food and health related industries, from market research analysis for UK food and drink manufacturers to food preparation and service within the hospitality industry. For 5 years Natalie worked for a UK cancer charity assisting with their awareness program and researching and preparing information articles for the public and health care professionals.
